

ENHANCING COMMUNITY CONNECTIONS

The Work

RS EDEN engages in and leads collaborative efforts at the State Capitol and with civic-minded people and groups. We are implementing a plan that encompasses institutional and individual giving, social media, media outreach, and legislative priorities.

Success Measures

RS EDEN is a sought-after community partner by peer organizations and funders. RS EDEN is a leader in integrated, person-centered care and has a strong network of partners.

CATALYZING OUR STAFF'S POTENTIAL

The Work

Our agency-wide culture celebrates staff contributions, supports staff in achieving their career goals through training, development, and mentorship, and prioritizes staff wellbeing. Organization communications and policies are clear and consistent.

Success Measures

Staff engagement and retention are increasing. Training and development plans for staff are in place and being actively managed.

MAXIMIZING RS EDEN'S IMPACT

The Work

Integrated care is seamless, effective, and high-quality for participants, and our internal processes and policies are streamlined. RS EDEN's data and analytics smoothly track and meaningfully report on service delivery and participant outcomes.

Success Measures

RS EDEN is using and adapting evidenced-based practices which lead to strong outcomes for participants, who are opting to use multiple RS EDEN services.

OUR APPROACH

RS EDEN's new strategic plan is a direct reflection of its mission and vision, shaped through a collaborative and inclusive planning process. This process not only honored multiple perspectives, but it also enabled the organization to evaluate key challenges, uncover opportunities, and outline concrete strategies for impact. The result is an ambitious, adaptable, and actionable plan that strengthens RS EDEN's ability to meet evolving community needs.

VALUES

Hope

Inspire a positive perspective that illuminates the possibilities of new beginnings and supports each person's journey towards a brighter future.

Innovation

Champion creativity and innovation, pushing relentlessly forward. Embrace change to enhance our programs and make a meaningful impact.

Safety

Prioritize the safety and wellbeing of our staff, participants, and community. Establish environments that are not only secure but also deeply supportive.

Respect & Inclusion

Ensure everyone is treated with dignity and respect, creating an inclusive atmosphere where diversity is celebrated and every voice is acknowledged.

Accountability & Integrity

Adhere to the highest ethical standards and accept accountability for our actions, ensuring trust and transparency in every community interaction.

Community

Foster a supportive community and build empowering connections that uplift and fortify our foundation of healing, growth, and resilience.

Compassion

Engage every person with deep empathy, understanding, and kindness, recognizing and honoring their humanity by providing care that transcends the basics.

MISSION

Our mission is to create thriving, just communities where healing occurs and new beginnings are possible.

VISION

We envision a community built upon a shared commitment to well-being and equity, where individuals and families are free from injustice and anchored by generational resilience.
